Financial Secretary to the Government of Mysore,
Bangalore.

Sir,

With reference to Appendix accompanying Government Order No.E.3146-95/P.S.19-22-14 dated 9th November 1922 containing a list of items of printing work ordered to be discontinued at the Government Printing Office, Bangalore, I have the honour to state that the printing of the Gradation List once in 3 years will cause great inconvenience in the case of this office where the establishment is large and several changes occur every month. Even under the present system there is considerable delay in getting the lists printed and they are out of date by the time printing is completed.

The printing of gradation lists once in 3 years was ordered with a view to reducing printing work on the recommendation of the Spl Duties Committee. Subd for orders.

Please put up the file.

RULES REGULATING PROMOTION, ACTING AND SUBSTANTIVE, IN THE SEVERAL GRADES.

Old office hands permanently appointed to the Subordinate Account Service as per allocation sanctioned by Government in Order No. Fl. 2731—G. F. 92-17 ii of 16th December 1918, are not required to pass the examination prescribed for that service. Future promotion, acting or substantive, to the service will be restricted to persons passing the Subordinate Accounts Service Examination. The examination prescribed for Accounts should be passed by the men now selected for Acccountant's places to make them eligible for promotion in the grade of Accountants, but exemption may be granted in favour of permanent accountants of over forty years of age from passing the examination. Men who are granted exemption will not be superseded by passed men for grade to grade promotion if their work as Accountants is satisfactory.

2. No official should in future be permanently appointed to the grade of Accountants, unless he has passed the examinations prescribed for that service.

3. As long as there are personal allowances given in respect of any rate of pay in the allocation sanctioned in the order noted above, no *sub pro tem*, temporary or acting vacancy should be filled up between the substantive grade of the person concerned and the grade corresponding to the total emoluments which he is allowed including personal allowances, but there is no objection to fill up the vacancy from the lowest grade up to and inclusive of the substantive grade of the official concerned.

4. Recruitment to Clerical Service will be made according to the following rules approved in G. O. No. Fl. 2667—G. F. 13-19-125, dated 4th October 1920. The following shall be eligible for recruitment to the Clerical Service of this office.

(*a*) Those who have passed the Matriculation Examination or have obtained S. S. L, Certificates and have passed the Clerical Service Examination (Higher Grade) under Clerkship rules.

(*b*) Those who have passed the Matriculation Examination or have obtained S. S. L. Certificates and have passed the Competitive Examination held by this office.

(*c*) Those who have passed the Local Service Accounts Higher or P. W. Entrance Examination.

(*d*) Those who have passed the Mysore University Entrance Examination or the Madras University Intermediate Examination or the Higher Examinations of these Universities.

(*e*) Those who have passed any two of the Commercial Subjects prescribed in G. O. No. 1811-1860—E. A. G. 307, dated 16th December 1918.

Those possessing the qualifications mentioned *c* and *d* above will also be eligible for confirmation in the Clerical grades.

Those satisfying conditions specified in *a*, *b* and *d* above will be eligible for confirmation in the Clerical grades only if they pass the Local Service Accounts Higher or the P. W. Entrance Examination.

5. For taking in and retaining men of superior education, the Comptroller reserves the right of appointing a graduate or a candidate of superior qualifications direct to any grade, whenever such a course is considered desirable in the interests of the office.
